Major Fund Raiser Begins Now

We Need Your Help- Our Goal is \$500,000

Good Shepherd Lutheran School is building a 15,000+ Sq. Ft. pre-schoc

We enroll children from 6 weeks through VPK (Voluntary Pre-Kindergarten)

Ground Breaking Ceremony is scheduled on Saturday, October 4, 2025

You have an opportunity to leave a legacy while helping hundreds of children and parents find a quality place for pre-school education.

Our school will have 12 new classrooms which will allow us to remove portables and stop using our fellowship hall for babies. Our new school will provide more space to almost double the number of babies served.

Construction will begin this Fall and completed on time for opening in August 2026

This project costs about \$8 million and LCEF will provide a \$7 million construction loan that will convert to a permanent mortgage. Help us lower this amount.

We have a great reputation in our community with a Christian emphasis and fully accredited and Florida Licensed. We are excited about this great news.

Many levels of giving will be recognized in the building with all donations being tax deductible. Any amount is appreciated along with your prayers

Donations can be made over 3 years-2025,2026, &2027

A special level at \$50,000 called "Legacy Donor "will be available to name a limited number of rooms. Businesses and companies may get tax credits from Florida dollar for dollar and earn one space for employees child for each \$50,000 donated.

Donor packets are available. Please contact Bob Barnes, 941-685-9929 or Jenn Oberlin at the school, 941-922-8164 for any questions or to get a packets.
